PDTI involvements		Club(s) / business involvement
PDTI conference and workshop attendance, Instructors course participation		Senior Instructor
Personal statement:		
I have been instructing since 2005, and currently take classes at 2 local dog training clubs at all levels of GCDS. I have more recently started offering one on one instruction and behavioural advice and I am currently working towards KCAI accreditation. I have 3 dogs and work with them at competitive obedience, heelwork to music, rally O and fun agility. My relationship with them is such that it drives my enthusiasm to train and encourage other owners to achieve the same with their dogs.
