Michaels's background and personal statement		
<p>I love dogs and began volunteering at Alpha Dog Training Club on Sundays in June 2013. I have also started to assist with puppy classes at Canonbury Vet Practice on Tuesday evenings. Initially my involvement with Alpha and then the PDTI was to learn as much as possible about training a dog before owning one. However, now I am considering developing skills as a dog walker, dog sitter and trainer as well as continuing my voluntary work.</p>
